## INSTRUCTIONS.

### A.O. 23.—Re-transfer to the Colours of Reservists of the Infantry of the Line.

Permission will be given to non-commissioned officers and men belonging to the reserve of the Infantry of the Line (Sections B and C) to rejoin the Colours to complete 12 years from the date of attestation, subject to the conditions detailed below :—

#### Conditions of re-transfer.

1. On rejoining men will not be required to refund the deferred pay issued to them on transfer to the reserve.
2. Each man will receive a free kit on rejoining.
3. No gratuity will be issued on rejoining, but on discharge at the termination of his engagement each man will receive a gratuity of 20*l.*, in lieu of any deferred pay to which he would then become entitled.
4. Men will rejoin their own regiments, and be posted to the home battalions, or if both battalions are abroad, to the depôts. If the officer commanding approves, they will take up the rank which they held on transfer to the reserve.
5. Men rejoining must have at least two years to serve. Men of more than 10 years' service, from the date of attestation, are therefore ineligible.
6. The men will resume the good conduct pay and badges, if any, which they held on transfer to the reserve.
7. Service in the reserve will not reckon towards the grant or restoration of good conduct pay, but will reckon as "qualifying service" towards fixing the rate of pension on discharge.
8. The officer commanding the regimental district will exercise his discretion in refusing to re-admit men whose re-admission may seem to him undesirable.
9. All the sergeants rejoining, as well as a number of the drummers, and rank and file, not exceeding 3 per cent. of the establishment of rank and file of the battalion, will be allowed to be married. Their wives will be extra to the married establishment, and will remain so extra as long as their husbands continue to serve. The wives of married men rejoining will be granted the regulated separation allowance until they rejoin their husbands.

#### Procedure on re-transfer.

10. Application to rejoin will be made either personally or by letter to the officer commanding the regimental district of his unit, who, in the event of the application being entertained, will, in the case of men who apply by letter, send to the applicant a travelling warrant to the head-quarters of the nearest regimental district (or town where a recruiting staff officer is stationed) for the purpose of medical examination. If passed as medically fit for service, the man will be furnished with a travelling warrant to the home battalion, or if both battalions are abroad, to the regimental depôt, and directed to report himself to the officer commanding, who will carry out the re-transfer without reference to higher authority.

The officer commanding the recruiting district in which the man is medically examined will, if he is found fit for service, so inform the officer commanding the home battalion or unit to which he is sent, and also the officer commanding the regimental district of his unit. The latter officer will thereupon forward the man's documents without delay to the officer commanding the unit to which he is sent.

11. A man found medically unfit will receive two days' pay and a travelling warrant back to his place of residence.
12. The officer commanding will arrange for the medical examination of men who apply personally, and proceed with the re-transfer as directed above.
13. On rejoining the colours, an entry will be made as follows in the men's record of service :—  
"Rejoined the Colours under Army Order 23 of 1898."

#### Extensions of service.

14. Soldiers of the infantry of the Line serving at home, whose period of Colour service will expire before the 31st December, 1898, and those arriving from abroad for transfer to the reserve during the year, will be permitted to extend their Colour service for a further period of two years, subject to the following conditions:

15. They must fulfil the conditions as to conduct laid down in the third column of paragraph 2 (3), Section XIX, of the Queen's Regulations, and those arriving from abroad must not have been refused permission to extend by the officer commanding the battalion abroad.

16. They will receive the deferred pay due to them up to the date of extending their service, a record of the issue being made on the soldier's documents.

17. They will be granted a furlough not exceeding three months.

18. On final transfer to the reserve, they will receive the remainder of the deferred pay due to them.

19. Men so extending their service will, subject to the usual conditions as to character and medical fitness, be considered to have a claim to join the Supplementary Reserve (Section D), should they wish to do so, on completing their 12 years' engagement.

20. The extension of service will, subject to these conditions, be carried out by the officer commanding the unit, or the commandant of the discharge depôt, without reference to higher authority.

21. The number of men permitted to rejoin the Colours and of those who extend their services, under this Order, will be reported to the War Office every Saturday by the Officers who authorize the re-transfer or the extension of service.

22. These instructions will remain in force until further orders.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, C. R. Low, Esq., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Matron, Miss K. Bartlett, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, but some beds are now necessarily empty from want of funds.

The need of such an institution is apparent from the fact that there are on an average four candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.
